**Introduction:** This past Monday the day before the final day of the national election season television news commentators were discussing what may happen after the election depending on which presidential candidate wins. Many people were making post election predictions without any certainty of them coming true. The details of this can be reviewed in sermons presented earlier.

The predictions of many are on hold waiting for the final tally of votes. Yet, I am going to make seven predictions that I am absolutely sure will be true. In Ecclesiastes 1:9 God gave Solomon this truth, "...there is no new thing under the sun."

Knowing this note these "Seven 2020 Post Election Predictions":

(Malachi 3:6; Hebrews 6:13-20; 13:8; James 1:17)

**II. God Will Not Lie.**
